**RE: IMF/WORLD BANK MEETINGS 14<sup>TH</sup> – 20<sup>TH</sup> SEPTEMBER 2006**

*Dear Anson,*

Following the successful IMF/World Bank meetings here in Singapore, I would like to thank you and your team for the fantastic co-operation and excellent service you provided during this period.

The quality of your service provision has left a very positive mark at the High Commission as well as with our IMF delegates, from whom I have received only positive comments.

Without your help with the transport arrangements and the commitment of your drivers, it would not have been possible to manage our heavy transport schedule during these meetings.

Thank you once again for all that you did to make sure everything went smoothly and I look forward to working with you again in the future.

*yours sincerely*
